**Danish System of Judging**

The Danish System of Judging is the accepted method of judging used in 4-H youth programs across the United States. In all Elko County 4-H competitions the Danish System of Judging is used. With this system all entries are judged on their own merit, and NOT judged against the other entries or exhibitors in the class. This means each entry is judged according to how well it meets the established standards of quality/excellence or established standards of the requirements of the class. Entries are judged as Blue, Red, or White award. If an entry so merits the judge may award a Grand Champion and/or Reserve Champion award to those entries already meeting a Blue ribbon placing. All awards are up to the judge’s discretion and are awarded accordingly. For example: a class may have a Grand Champion presented and not a Reserve or vice versa.

- **Blue**: excellent work, exceeding the standards
- **Red**: good work that meets the expected standard, but needs some improvement to be deemed excellent
- **White**: fair work that is average or satisfactory but has enough improvements needed to cause the placing to drop from good to fair.
4-H Livestock Program and the Elko County Fair

The following rules and regulations govern the Elko County 4-H Livestock Program. Any changes or suggestions to these guidelines should be brought up at the Annual 4-H Livestock Re-evaluation Meeting to be held each Fall. Interested individuals must attend the meeting to cast a vote on 4-H livestock related subject matter. Those eligible to vote include general leaders, adult livestock leaders, parents of 4-H members, and livestock related committee adult members. All decisions made at the yearly meeting are final.

4-H Livestock Division for the Elko County Fair

The Elko County Fair & Livestock Board governs the Elko County Fair.

This Livestock Show is limited to Elko County 4-H club members. Each boy and girl is permitted to enter any 4-H livestock class for which their entry qualifies. They are, however, limited to one entry per class. The same animal may not be entered in more than one class with the exception of pair and herd classes and showmanship as their second class entered. Members entering large or small livestock as a market project are limited to one (1) market project per year. Refer to the current Elko County Premium Book for awards. Official 4-H dress is required for all classes of the Elko County 4-H Livestock show. (See General Rules).

Elko County Fair-Premium Money

Premium money is awarded to members that take part in the Horse Show, Dog Show, Small Animal Show and Large Animal Show. Premium money will be presented on Monday, the last day of the Fair, from approximately 9:00 a.m.-10:00 a.m. If you fail to pick up your premium money at this time you will forfeit all monies to the 4-H Awards and Events Committee. You may make arrangements with your leader or a fellow 4-H member to pick up your premium money for you.

Market Projects

To be eligible to sell a beef, sheep, goat, pen of market rabbits or a pen of fryer chickens the member must have:

a. Completed two full 4-H club years.
b. Completed two years of breeding projects in the species he/she intends to sell previous to the current year.
c. Participated in 80% of the club’s meetings and activities.
d. Completed breeding project record sheets for the two qualifying years and a copy turned into the Extension Office to be kept on file by June 1st.

Only four of these five animals can be the same species. This rule does not apply to other sales.

f. Shrinkage - Market animals will be received at the fairgrounds between 8 a.m. and 5 p.m. only, on Thursday of the Fair week. Market animals will be weighed immediately upon unloading.

a. (Beef, Sheep, & Goats) - Sale weight on large animals will be determined by deducting a pencil shrink depending upon the distance traveled to the Fair.

b. 0-10 miles - 3%
c. 10-20 miles - 2%
d. 20-50 miles - 1%
e. 50 miles or more - 0%

g. Unmanageable Animals - To receive premium and to be eligible to sell, all market animals must be exhibited in the show ring in their designated class. At the discretion of the Livestock Sale and
Grievance Committee, an unmanageable, kicking, or potentially dangerous animal may be prohibited from showing and selling. Safety of all 4-H members in the ring is top priority. Livestock tranquilizers are not permitted.

h. **Commission** - If sale costs exceed sale cost donations, a flat percentage rate will be applied to cover additional costs. Any amount remaining after the bills are paid will be deposited in a special 4-H livestock sale account. This fund will be used for sale promotion and advertising, to cover buyer bad debts (if they occur), and to cover other unexpected losses (condemned carcasses, etc.). When this account exceeds $10,000, the balance will be given to the 4-H Un-sponsored Trip Fund.

i. A market project record sheet must be completed and turned in to the Extension Office before a check will be issued to the 4-H member in payment for their market animal. Checks will be mailed after October 10. Once an animal is sold through the sale ring it belongs to the buyer. The buyer may choose to take his/her purchase home live. If the buyer chooses to give the animal back to the 4-H member, the Livestock Sale and Grievance Committee will slaughter and resell the animal. The resale carcass value will be added to the 4-H member’s check. The resale value will be deducted from the buyer’s bill. The animal will then be eligible for the carcass contest.

  d. When a beef carcass grades Standard, or yield grade 4 or 5, a deduction from the 4-H member’s check will be made based on the current weeks IBP packers prices grid. This deduction could be as high as $350.00. Money deducted from the 4-H member’s paycheck will in turn be deducted from the bill of the consumer of that meat. This deduction could be as high as $40.00. Money deducted from the 4-H member’s paycheck will in turn be deducted from the bill of the consumer of that meat.
