DOG'S TRAINING CONTINUED

Dog Obedience/Advanced Skills related to the nature and level of training for your dog. Record the obedience level that your dog is at the i.e. Sub Novice, Novice, etc., then list the skills needed for that level. Check the skill that your dog has in each of the required obedience maneuvers. Additional training skills that are specific to your dog or breed type should be recorded here. For example: retrieving, herding, search and rescue, agility skills and other commands.
