## Year End Project Summary

Did you accomplish your goals listed on page 1? (Yes or No). Rate yourself on accomplishing your goals (excellent, very well, ok, not so well, very poorly). If you did not accomplish your goals, tell why? If you did accomplish your goals, what did you learn? What presented the greatest challenge for you this year? How did you overcome this challenge? What was your favorite part of your project this year? What goals will you set for yourself in the future for this project area? Did you have any interesting experiences with your project this year? Did you attend any special tours or programs that assisted you? Did you use the knowledge acquired to teach others what you learned? Use additional pages if necessary.
