2015 & 2016 HUMBOLDT COUNTY 4-H SMALL ANIMAL LIVESTOCK RULES FOR: CATS, CAVY, POULTRY, & RABBITS

INTERPRETATION AND ENFORCEMENT:

The Humboldt County 4-H Small Animal Committee and Humboldt County Extension reserve the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the show.

GRIEVANCE COMMITTEE:

The Grievance Committee will consist of Small Animal Show Manager, Small Animal Executive Board Member and one person from Humboldt County Extension. Any dispute or questions regarding rules and management decisions must be in the form of a written protest signed by the exhibitor and parent/guardian and a $50 deposit, which will be forfeited if the grievance is not sustained, and must be presented to the Show Manager within two hours of the time of the action or questioned incident. The protest will then go to the Grievance Committee. The Grievance Committee will make the final decision. An exhibitor who violates any rules will be subject to expulsion and will be denied any awards. Any dispute or question with regard to decisions of the management must be presented to the Grievance Committee in the appropriate manner.

LIABILITY:

All entries are accepted with the understanding that each exhibitor shall be solely responsible for any loss, injury or damage done to or occasions by him/her, or arising from any animal or article exhibited by him/her. Exhibitors and parents agree to hold blameless the State of Nevada; Humboldt County 4-H Small Animal Committee; Humboldt County Fairgrounds; Board of Regents, University of Nevada, Reno; Nevada Cooperative Extension; Extension Personnel; 4-H Leaders; and other persons involved in the show in case of accident or injury of any nature to the exhibitor, or any loss or damage that may occur to their property or livestock.
CONDUCT AND SUPERVISION OF EXHIBITORS:

Exhibitors are the representatives of their 4-H organization and are expected to act in an appropriate manner. Misconduct of an exhibitor such as in to reflect discredit on himself/herself, his/her club, or the show will be cause for disqualification and will result in sending the exhibitor home. Malicious damage to the Humboldt County Fairgrounds will also be considered a just cause to send an exhibitor and exhibit home. In such cases, all awards will be withheld.

Every effort will be made to secure competent judges for the show. They will give reasons for the decisions rendered. These are to assist in the education of livestock production and showmanship. THE DECISIONS OF THE JUDGES ARE FINAL. Interference, discourteous or unsportsman-like conduct towards the judges or officials by parents, 4-H members, 4-H leaders or spectators will be cause for disqualification of the participant and forfeiture of any awards.

All 4-H rules are in effect during the 4-H Livestock Show. Any use of alcohol, illegal drugs or tobacco by minors is grounds for immediate disqualification and expulsion from the show and sale. Exhibits and exhibitors will be sent home and forfeit all rights to any awards or prizes.

While at the Tri-County Fair, all exhibitors must be responsible to and chaperoned by their respective leaders and/or parents and guardians and not left in the care of show officials.

SMALL ANIMAL SHOW DRESS CODE:

Official 4-H uniform (see Dress Code Pamphlet). Young ladies may wear a black skirt (fingertip length or longer) instead of trousers/pants. Sturdy tennis shoes (not canvas material), protective shoes or boots. No shoes with open toes, open backs, heels or platform soles, sneakers or similar soft shoes. No hats.

GENERAL RULES:

1. A first year livestock project member may take a market animal their first year, this includes rabbits, poultry and cavy. It is strongly encouraged that all first year members join a club specific to the specie of market animal they are taking and attend all required meetings. First year members with no livestock background or knowledge are strongly encouraged to take a breeding project so they may gain a better understanding and knowledge of the specie they are working with.

2. This show is for the youth exhibitor. Cleaning, feeding, watering, fitting, and grooming of animals must be done by exhibitor only from check-in through check-out of the show. After a warning by Show Management to the exhibitor, a second violation will result in disqualification of that exhibitor. Humane treatment of animals is expected.
Any abuse of an animal is grounds for immediate disqualification and expulsion from the show and sale and forfeiture of all awards. Each exhibitor must exhibit and care for their own animal at the Tri County Fair, except for illness, injury, or conflict in show schedules, in which case another 4-H member should exhibit in his/her place.

3. **4-H members’ completed project sheet must be turned in to the Extension Office on or by October 15. No incomplete project sheets will be accepted. If project sheets are turned in incomplete, they will be returned to the 4-H member and the member will have one week to complete the project sheet and turn it back in for review. If project sheets are not received at this time, the member will not be allowed to participate in next year’s 4-H Small Animal Show and Sale.**

4. 4-H members must pay insurance ($5) before participating in any 4-H event.

5. Members must participate in their club’s activities to the satisfaction of their leader to be eligible to show at the Tri-County Fair.

6. Classes will be split or combined as entries warrant at the discretion of the judges and/or the show manager.

7. The judges will set aside time before the show to speak with participating 4-Hers on what each judge will be looking for and judges’ procedures.

8. All species shall be inspected for general health conditions and must be free of pests and disease at time of vet check-in at the show.

9. All livestock areas must be kept neat and clean throughout the show. A herdsman- ship award will be presented to the club taking the best care of their animals and pens during the show. Small Animal Herdsmanship Award is paid for by the Show and Sale Committee.

In that case, the 4-Her and the owner of the home where the project animal(s) is staying must appear before the Small Animal Committee as an agenda item requesting approval to house the animal(s) off site. Poultry band numbers are due with the entry forms. If the identification tag is lost, the Extension Office must be notified immediately. Poultry bands and rabbit tattoos must correspond to entry form. There will be no exceptions.

14. Entry blanks will be sent out and must be turned in to the Extension Office no later than August 1. Animal tattoo numbers, poultry and game bird band numbers must be included on the entry form next to the appropriate class. Poultry entries must include pictures of each entry.
