Nevada 4-H Animal Science Projects
http://www.unce.unr.edu/4H

The University of Nevada-Reno is an Equal Employment Opportunity/Affirmative Action employer and does not discriminate on the basis of race, color, religion, sex, age, national origin, creed, veteran status, physical or mental disability, and sexual orientation in any program or activity it operates. The University of Nevada employs only United States Citizens and aliens lawfully authorized to work in the United States.
4-H Animal Science Projects Provide....

Fun and exciting experiences—the joy of making new friends through club meetings, county activities, state events, and national programs.

Challenges—the responsibility of caring for an animal and learning about production, management, nutrition, health, grooming, showing, and ethics.

Life skills—the development and understanding of citizenship, leadership, self-respect, coping, decision making, and caring for others that leads to a positive and productive life.

Competition—the opportunity to exhibit an animal, demonstrate showmanship, display sportsmanship, and produce record books.

Goals For 4-H Animal Science Projects....

4-H Members can learn about:

- Many Species of Animals
- Breeds of Animal Species
- Correct Nutrition and Care
- Proper Care and Management
- Selection and Production Practices
- Breeding and Feeding Procedures
- Proper Fitting and Grooming Skills
- Showmanship Skills and Techniques
- Training Techniques for Showing/Riding
- Ethics and Sportsmanship

Opportunities For 4-H Animal Science Projects....

4-H Members can:

- Participate in the 4-H Club Meetings
- Participate in County 4-H Activities
- Participate in the State 4-H Events
- Participate in National 4-H Programs
- Participate in Progress/Jack Pot Shows
- Participate in Breed Association Activities
- Attend National Conferences and Events
- Become a member of a Judging Team
- Become a Junior Leader and assist younger members with their projects

4-H Animal Science Project Options....

- Larger-Sized Animals
  - Horses (Halter & Performance)
  - Beef Cattle (Breeds & Market)
  - Dairy Cattle
  - Llamas (Trial & Breed)

- Medium-Sized Animals
  - Dairy Goats
  - Meat Goats (Breeds & Market)
  - Sheep (Breeds & Market)
  - Swine (Breeds & Market)

- Smaller-Sized Animals
  - Cats
  - Dogs (Agility, Obed, Rally, Serv)
  - Cavies (aka Guinea Pigs)
  - Rabbits (Market & Exhibition)
  - Poultry (Chicks, Pigeons, Ducks)
  - Pocket Pets
    * Birds & Fish
    * Amphibians & Reptiles
    * Hamsters & Gerbils
    * Hedgehogs & Chinchillas
    * Ant Colony & Tarantula

- Subject Matter Specific
  - Meat Identification
  - Judging Activities
  - Veterinarian Science
