

NATIONAL PESTICIDE APPLICATOR CERTIFICATION CORE MANUAL

Second Edition
2014

*Published by the National Association of State Departments
of Agriculture Research Foundation*

This manual was supported by the U.S. Environmental Protection Agency Office of Pesticide Programs' Cooperative Agreement X8-83456201 with the National Association of State Departments of Agriculture Research Foundation. EPA officials contributed comments and suggestions intended to improve the scientific validity and technical accuracy of the document. However, the views expressed in this document are those of the authors and EPA does not endorse any products or commercial services mentioned in this publication.

ACKNOWLEDGMENTS

The following team members generously contributed their time and expertise by writing, revising, and/or reviewing the first and second editions of this manual. EPA and NASDA Research Foundation are indebted to them for their contributions.
