## Attend radon education program at library

The UNR Cooperative Extension is scheduled to hold a radon education program at 3 p.m. Jan. 9 at South Valleys Library, 15650-A Wedge Parkway.

Information about radon, the health risk associated with radon and results of area testing will be addressed. Free radon testing kits also will be available.

Radon is a naturally occurring, invisible, odorless and tasteless gas that is dispersed in outdoor air but can reach harmful levels when trapped in buildings.

Details: 775-851-5190.
