GARDNERVILLE, Nev. – January is National Radon Action Month and the Nevada Radon Education Program at University of Nevada Cooperative Extension is sponsoring a “Test Your Home for Radon and Win Contest” for residents of Douglas, Carson City and Washoe counties.

The “Test Your Home for Radon and Win Contest” will provide two Carson City, Douglas or Washoe county homeowners with a \$1,500 credit towards the installation of a radon mitigation system.

To qualify for the contest, homeowners must complete a test before Feb. 28, 2011, using a kit provided by the Nevada Radon Education Program. Two winning entries will be chosen from tests having a radon level of pCi/l or greater from tests completed in Carson City, Douglas and Washoe counties.

Complete contest details can be seen on the Radon in Nevada website at www.RadonNV.com.

The final winners will be announced by April 30, 2011, with the mitigations taking place by May 31, 2011.
