New Faces, New Places: 
A Leaders Trainer’s Guide for 
New 4-H Leaders

This guide was developed for new 4-H leaders who plan to involve and engage themselves in southern Nevada’s 4-H program. Although developed specifically for an urban 4-H setting, it can be used in other areas, as well. Care has been taken to make this guide very user-friendly. However, because there might be some terminology that may not be clearly understood by first-time users, it is recommended that an already trained leader or other 4-H personnel conduct the training.

Included in the CD are the following teaching modules:

- Introduction and Leaders’ Guide
- Understanding 4-H
- Ages and Stages
- The Experiential Model
- The Essential Elements of Youth Development
