BANANA: A FAVORITE FRUIT

BAKED BANANAS
Place a peeled banana in a baking dish. Bake at 375°F for 15 to 18 minutes or until hot and tender. Top with some vanilla yogurt and a sprinkle of cinnamon and enjoy!

BANANAS ...
- Ripen best after they are picked
- Can be eaten at various stages of ripeness
- Are inexpensive
- Are in generous supply all year.
- Are a good source of fiber, vitamin C and potassium
- Are the ultimate portable snack—bananas are great when you’re on the go!

Did You Know?
- Though all tropical countries grow bananas, most of our bananas come from Ecuador, Costa Rica, the Philippines, and Colombia.
- Bananas are also grown in Iceland, in soil heated by geysers.
- The inside of a banana peel can substitute as a polishing rag for leather shoes; its slippery qualities clean and condition the shiny surface nicely.

BLEND YOUR BANANA
Whirl bananas with one cup of yogurt or milk and 1/2 cup of your favorite berries or fruit juice for a thick, quick breakfast shake.

BANANA ON A STICK
Roll bananas in low fat granola and freeze on a stick for a cool snack.
