If you missed Awards Night, please stop by the Extension Office to pick up your project sheets and any awards that might be waiting for you.

Thank you to those that sent in their attendance cards for the catered dinner for Awards Night. While it helped to keep track of numbers and work with the caterer, it was very disappointing that many who said they were going to attend did not make the event. Those meals still had to be paid for. We understand that life happens and things come up at the last minute, but for the future, if you plan to attend an event and are unable to make it, please contact the office as soon as possible to let us know so that we can work to adjust numbers and costs as needed. Thank you.
