If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact your local Cooperative Extension Office in advance of your participation or visit.

University of Nevada is an EEO/AA institution

4-H Shooting Sports Objectives

- To encourage participation in natural resources and related natural science programs by exposing participants to the content through shooting, hunting and related activities.
- To enhance development of self-concept, character and personal growth through safe, educational and socially acceptable involvement in shooting activity.
- To teach safe and responsible use of firearms and archery equipment including sound decision making, self-discipline and concentration.
- To promote the highest standards of safety, sportsmanship and ethical behavior.
- To expose participants to the broad array of vocational and life-long avocational activities related to shooting sports.
- To strengthen families through participation in life-long recreational activities.
- To complement and enhance the impact of existing safety, shooting and hunter education programs using experiential educational methods and progressive development of skills and abilities.
