### Baggy Baby Book

Fasten several zip lock bags together either by sewing with a simple overcast stitch or stapling or fastening with brass fasteners. Cover the staples or brads with transparent tape if stapling or fastening. Place one sheet of paper or cardboard in each bag. Fill each side of the bag with magazine pictures, photos or flat toys. These can be changed frequently giving your child a variety of things to see and talk about. This activity should always be supervised. Discard the baggy book when the bags become torn or damaged.
